*Capital Credits*

# How Do Capital Credits Work?

Capital credit checks are issued in October.

5

Barron Electric's Board of Directors approves capital credits to be paid out.

4

The cooperative tracks how much electricity each member purchases throughout the year.

1

**Barron Electric has returned over \$25 million to members since 1965.**

Barron Electric allocates margins to members as capital credits based upon member's annual electricity purchases.

3

At the end of the year, the cooperative completes financial matters and determines whether there are excess revenues, called margins.

2

*For questions regarding capital credits, please contact Barron Electric at 800-322-1008 or e-mail [billing@barronelectric.com](mailto:billing@barronelectric.com).*
